Official Announcement – FITDS (ITA IPSC Region) Match Level 3

In accordance with the current FITDS Sports Regulations, the following information is provided regarding Level 3 competitions included in the 2025 sports calendar along with some tourist and cultural information about the locations hosting the events.

On February 3, 2025, the detailed schedule of all competitions will be available on the Ma.Re. platform from 9:00 AM, and competitions will open for registration every half hour.

International shooters can register through the following link:

<https://mare2.fitds.it/ext/f-shooter-request/create>

Attached to this announcement are all the instructions for registering on <https://mare2.fitds.it>

Registrations to competitions that are not part of the Italian Championship and National circuits will be open to allow a greater number of shooters to participate, including foreign athletes.

Specifically, for the Italian Championship competitions, Italian shooters may register according to the priority list published, with a 15-day advance window before the competition weekend starts, while foreign shooters can register immediately but only in the reserved slots available in each match.

For Nationals, the same procedure as the Italian Championship will be applied, but registration will open after the publication of the priority list, following the methods described in a specific FITDS communication.
